PRINCIPAL'S MESSAGE

Once again, I am pleased to welcome the Marple Newtown fans to another football season. I feel confident that our total athletic program for this school year will be most successful. As in the past, such success has been due to the support provided by the community and more specifically the Boosters. Their dedication and willingness to give their time and energy to our program and their children is outstanding and commendable.

I extend to our athletes, their coaches, their parents and the Boosters best wishes.

William C. Capriotti
Principal

Greetings ... MARPLE NEWTOWN FAITHFUL AND WORTHY OPPONENTS!!!

Once again the Marple Newtown Boosters' Club is happy to bring you the 1977 Edition of the Marple Newtown High School Football program.

The sale of this program and the advertisements within the program accomplishes two ends:- 1. It provides some of the necessary funds to the Boosters' Club so that they can carry out their sports program; 2. It gives you the opportunity to get to know your neighborhood businesses that provide goods and services so vital to any town or community.

The Marple Newtown Boosters' Club adds to the high school sports program where the school district leaves off. You are watching this night football game with lights initiated by the Boosters' Club. The original \$26,000 debt has been whittled down to \$8,000 by the generous donations of many service clubs, the Marple Newtown H. S. Band, and the Boosters' Club. Among other things the Boosters' Club does is to provide senior athletes (men and women) with Marple Newtown H. S. jackets, finance the annual All Sports Banquet to be held May 24, 1978, and give to all Marple Newtown H. S. Central Division Championship teams a champion's jacket. If you buy a hot dog, soda, football program, advertising space, make a donation, and/or join the Boosters' Club and pay your dues, you are contributing to the Boosters' budget and making its activities possible.

Here's to a great year for the Marple Newtown Tigers ... sorry, worthy opponents!!

Sincerely,

Bill Fehner

President, Marple Newtown Boosters' Club

Allan Jones
Director of Athletics

Once again we look forward to another year of athletic participation. The Marple Newtown Athletic Program offers many opportunities for our student body to grow and develop. Our athletic staff and athletes are working hard to achieve their goals on the athletic field and courts.

I would like to take this opportunity to wish continued success for each coach, and all the athletes participating in the program during the 1977-78 school year.
